Professional Accomplishments

Pro Mazda presented by Cooper Tires,
F2000 Championship Series, Formula Atlantic,
Ford's Octane Academy TV Show

Always being obsessed and fascinated by racing, Jason literally dropped everything he had and moved to New Jersey Motorsports Park chasing a dream. At that point, he was living in his car secretly at the track and looking for anything motorsports-related to do. Jason became a track flagger, started an auto detailing shop, and wrenched on race cars all for seat-time to become a professional race car driver and coach.
